Discover our versatile propane gas griddle!

This professional propane gas griddle is an indispensable appliance in any professional kitchen or outdoor kitchen. Thanks to the smooth, chrome-plated baking surface, the heat is evenly distributed, resulting in perfectly cooked dishes. From juicy steaks and tender fish to crispy vegetables and delicate eggs, this griddle can handle it all. The chrome-plated surface ensures that food does not burn and is easy to clean. The dimensions are 650x575x365mm (LxDxH) - consumption 6 kW - weight 33 kg.

Key features:

- **Smooth chromed cooking surface:** prevents burning.
- **Powered by propane:** powerful and constant heat, ideal for outdoor use.
- **Including grease collection tray:** easy to clean and low maintenance.
- **Robust and durable:** built to last, with a solid construction.

Whether you are an experienced chef or an enthusiastic hobby cook, this propane gas griddle is a great addition to your culinary equipment. Order and enjoy evenly baked dishes with professional results!
